The theories by which this mode of legal operation has developed, has been justified, qualified, and defined are the subject matter of a very sizable library. The historic roots of a particular society, economic pressures, philosophic notions, all have had their share in the law's response to the ways of men in carrying on their affairs through what is now the familiar device of the corporation ---- Attribution of legal rights and duties to a juristic person other than man is necessarily a metaphorical process. And none the worse for it. No doubt, "metaphors in law are to be narrowly watched." Cardozo, J., in Berkey v. Third Avenue R. Co., 244 N.Y. 84, 94. "But all instruments of thought should be narrowly watched lest they be abused and fail in their service to reason." See U.S. v. SCOPHONY CORP. OF AMERICA, 333 U.S. 795; S.Ct. 855; 1948 U.S."

Neither prior waiver by Secured Party, nor any course of dealing between Secured Party and Debtor, may constitute a waiver of any of Secured Party's rights, nor of any of Debtor's obligations re any future transactions. Whenever the consent of Secured Party is required under this Security Agreement, the granting of such consent by Secured Party in any instance may not be construed as constituting continuing consent for subsequent instances where such consent is required, and in all cases such consent may be granted or withheld in the sole discretion of Secured Party.

Juristic person: In this Hold-harmless Indemnity Agreement the term "juristic person" means an abstract, legal entity *ens legis*, such as a corporation, created by construct of law and considered as possessing certain legal rights and duties of a human being; an imaginary entity, such as Debtor, i.e. WUYTS MARK JOZEF EDWARD, which, on the basis of legal reasoning, is legally treated as a human being for the purpose of conducting commercial activity for the benefit of a biological, living being, such as Creditor;

"From the earliest times the law has enforced rights and exacted liabilities by utilizing a corporate concept – by recognizing, that is, juristic persons other than human beings. The theories by which this mode of legal operation has developed, has been justified, qualified, and defined are the subject matter of a very sizable library. The historic roots of a particular society, economic pressures, philosophic notions, all have had their share in the law's response to the ways of men in carrying on their affairs through what is now the familiar device of the corporation ----- Attribution of legal rights and duties to a juristic person other than man is necessarily a metaphorical process. And none the worse for it. No doubt, "metaphors in law are to be narrowly watched." *Cardozo, J. in Berkey v. Third Avenue R. Co., 244 N.Y. 84, 94.* "But all instruments of thought should be narrowly watched lest

they be abused and fail in their service to reason." See U.S. v. SCOPHONY CORP. OF AMERICA, 333 U.S. 795; S.Ct. 855; 1973 U.S." 22 Feb 2023

Living, breathing, flesh-and-blood man: In this Hold-harmless Indemnity Agreement the term "living, breathing, flesh-and-blood man" means the Creditor, mark-jozef-edward: wuyts ©, a sentient, living being, as distinguished from an artificial construct, ens legis, i.e. a juristic person, created by construct of law;

"There, every man is independent of all laws, except those prescribed by nature. He is not bound by any institutions formed by his fellowmen without his consent." CRUDEN v. NEALE, 2 N.C. 338 (1796) 2 S.E. 70.

Non obstante: In this Hold-harmless Indemnity Agreement the term "non obstante" means: Words anciently used in public and private instruments with the intent of precluding, in advance, any interpretation other than certain declared objects, purposes

Sentient, living being: In this Hold-harmless Indemnity Agreement the term "sentient, living being" means the Creditor, i.e. mark-jozef-edward: wuyts ©, a living, breathing, flesh-and-blood man, as distinguished from an abstract legal construct such as an artificial entity, juristic person, corporation, partnership, association, and the like;

Debtor declares that it is a legal entity recognized as such and has rights and privileges recognized under the laws of the UNITED STATES, as has been the case since its creation in 1984; All legal means to protect the security interest being established by this agreement will be used by Debtor when necessary, and all support needed by Secured Party to protect his security interest in the collateral identified herein will be provided by Debtor;

Execution of this security agreement incorporates a promise that Debtor will execute such commercial forms as may be necessary, including but not limited to financing statements, to assure that Secured Party's interest is perfected; The security interest established by this agreement will continue until Secured Party is relieved of all liability associated with said services provided to Debtor and until all owing and due consideration to Secured Party has been delivered, regardless of whether the collateral identified in this agreement is in the possession of Debtor or Secured Party;

Debtor warrants that Secured Party's claim against the collateral is enforceable according to the terms and conditions expressed herein and according to all applicable laws promulgated for the purpose of protecting the interests of a creditor against a debtor; Debtor also warrants that it holds good and marketable title to the collateral, free and clear of all actual and lawful liens and encumbrances, except for the interest established herein and except for such substantial interest as may have been privately established by agreement of the Parties with full attention to the elements necessary to establish a valid contract under international contract law. Public encumbrances belonging to Debtor, against the collateral, shall remain secondary to this agreement, unless registered prior to the registration of Secured Party's interest in the same collateral, as is well established in international commercial law;

GENERAL PROVISIONS

Possession of Collateral: Collateral or evidence of collateral may remain in the possession of Debtor, to be kept at the address given in this agreement by Debtor or such other place(s) approved by Secured Party, and notice of changes in location must be made to Secured Party within ten (10) days of such relocation; Debtor agrees not to otherwise remove the collateral except as is expected in the ordinary course of business, including sale of inventory, exchange, and other acceptable reasons for removal; When in doubt as to the legal ramifications for relocation, Debtor agrees to acquire prior written authorization from Secured Party; Debtor may possess all tangible personal property included in collateral, have beneficial use of all other collateral, and may use it in any lawful manner consistent with this agreement; Debtor's right to possession and beneficial use may also apply to collateral that is in the possession of Secured Party if such possession is required by law to perfect Secured Party's interest in such collateral; If Secured Party, at any time, has possession of any part of the collateral, whether before or after an event of default, Secured Party shall be deemed to have exercised reasonable care in the custody and preservation of the collateral, if Secured Party takes such action for that purpose as deemed appropriate by Secured Party under the circumstances;

Proceeds and Products from Collateral: Unless waived by Secured Party, all proceeds and products from the disposition of the collateral, for whatever reason, shall be held in trust for Secured Party and shall not be commingled with any other accounts or funds without the consent of Secured Party; Notice of such proceeds shall be delivered to Secured Party immediately upon receipt; Except for inventory sold or accounts collected in the ordinary course of Debtor's public business, Debtor agrees not to sell, offer to sell, or otherwise transfer or dispose of the collateral, nor to pledge, mortgage, encumber, or otherwise permit the collateral to be subject to a lien, security interest, encumbrance, or charge, other than the security interest established by this agreement, without the prior written consent of Secured Party;

Maintenance of Collateral: Debtor agrees to maintain all tangible collateral in good condition and repair, and not to commit or permit damage to or destruction of the collateral or any part of the collateral; Secured Party and his designated representatives and agents shall have the right at all reasonable times to examine, inspect, and audit the collateral wherever located; Debtor shall immediately notify Secured Party of all cases involving the return, rejection, repossession, loss, or damage of or to the collateral; of all requests for credit or adjustment of collateral, or dispute

arising with respect to the collateral; and generally of all happenings and events affecting the collateral or the value or the amount of the collateral;

Compliance with Law: Debtor shall comply promptly with all laws, ordinances, and regulations of all governmental authorities applicable to the production, disposition, or use of the collateral; Debtor may contest in good faith any such law, ordinance, or regulation without compliance during a proceeding, including appropriate appeals, so long as Secured Party's interest in the collateral, in Secured Party's opinion, is not jeopardized; Secured Party may, at his option, intervene in any situation that appears to place the collateral in jeopardy;

Public Disputes: Debtor agrees to pay all applicable taxes, assessments, and liens upon the collateral when due, provided that such taxes, assessments, and liens are proved to be superior to the lawful claim established by this agreement and subsequently perfected by Secured Party by appropriate registration; In the event that Debtor elects to dispute such taxes, assessments, and liens, Secured Party's interest must be protected at all times, at the sole opinion of Secured Party, who may, at his option, intervene in any situation that appears to jeopardize Secured Party's interest in the collateral; Debtor may elect to continue pursuit of dispute of such taxes, assessments, and liens, only upon production of a surety bond by public claimants, in favor of Secured Party, sufficient to protect Secured Party from loss, including all costs and fees associated with such dispute; Should public judgment against Debtor result from such dispute, Debtor agrees to satisfy such judgment from its accounts established and managed by the UNITED STATES or its subdivisions, agents, officers, or affiliates, so as not to adversely affect Secured Party's interest in the collateral;

Indemnification: Debtor hereby indemnifies Secured Party from all harm as expressed in the attached indemnity bond, incorporated herein as if fully set forth within this security agreement;

TO SECURED PARTY**

Providing that Secured Party, subsequent to the execution of this agreement, perfects his security interest in the collateral by appropriate registration, Debtor agrees that its indebtedness to Secured Party, whether now existing or hereafter created, shall have priority over unregistered claims that third parties may raise against Debtor or the collateral, whether or not Debtor becomes insolvent; Debtor hereby expressly subordinates any claim that Debtor may have against Secured Party, upon any account whatsoever, to the claim that Secured Party has or will have against Debtor;

If Secured Party so requests, all notes or credit agreements now or hereafter established, evidencing debts or obligations of Debtor to third parties, shall be marked with a legend that the same are subject to this agreement and shall be delivered to Secured Party; Debtor agrees, and Secured Party is hereby authorized, in the name of Debtor, to execute and file such financing statements and other commercial statements as Secured Party deems necessary or appropriate to perfect, preserve, and enforce his rights under this agreement;

7. Commencement of foreclosure, whether by action of a tribunal, self-help, repossession, or other method, by a creditor of Debtor against the collateral;

8. Garnishment of Debtor's deposit accounts or employment;

Cure of Default: If a fault or dishonor under this agreement is curable through an account held by Debtor but managed by the UNITED STATES or one of its subdivisions, agents, officers, or affiliates, such fault or dishonor may be cured by Debtor with authorization by Secured Party and upon advice by the fiduciary that the fault or dishonor has been cured; and no event of default will have occurred; A dishonor under this agreement, initiated by third party intervention, will not cause a default if such intervention is challenged by Debtor by its good faith effort to confirm or disprove the validity or reasonableness of a public claim which is the basis of the public creditor's proceeding; but Debtor must, in that event, deposit such surety with Secured Party as is necessary to indemnify Secured Party from loss;

Acceleration: In the event of default, Secured Party may declare the entire indebtedness immediately due and payable without notice;

Liquidation of Collateral: In the event of default, Secured Party shall have full power to privately or publicly sell, lease, transfer, or otherwise deal with the collateral or proceeds or products therefrom, in his own name or in the name of Debtor; All expenses related to the liquidation of collateral shall become a part of Debtor's indebtedness. AFFIDAVIT: Right to Travel and Public Records Notice

AFFIDAVIT: RIGHT TO TRAVEL AND PUBLIC RECORDS NOTICE

KNOW ALL MEN AND WOMEN BY THESE PRESENTS; that i: mark-jozef-edward: wuyts, BEING FIRST DULY SWORN, deposes and says as ADMINISTRATIVE NOTICE TO ALL PERSONS, COURTS, BAR ASSOCIATION MEMBERS, LAW ENFORCEMENT AGENTS, PUBLIC SERVANTS, TRUSTEES, CORPORATE ENTITIES AND FICTITIOUS ENTITIES:

i am: a NON-CORPORATE: NON FICTITIOUS: NON-RESIDENT: living, breathing, flesh and blood, naturally born: man and inhabitant, and now affirm, secure, claim and defend my UNALIENABLE, SELF-EVIDENT, and INHERENT RIGHT TO TRAVEL, UNREGULATED, UNMOLESTED AND UNRESTRICTED, upon public walkways, waterways and highways, and to transport my personal, private, lodial, and/or allodial property, in/with my private automobiles and/or conveyances, unhindered by any private, corporate or statutory law, code, ordinance, Department of Motor Vehicles regulation, so called "requirement", or person;

My unalienable RIGHT TO TRAVEL is affirmed and protected by my Creator; by the organic Constitution of the several united states (1789), specifically the ninth & tenth amendments; and by the organic Bill of Rights (1791,) and also upheld numerous times by various courts, including the Supreme Court, in support of that right. i now explicitly, and without prejudice or recourse, RESERVE, ASSERT, CLAIM and DEFEND my Right To Travel. Because i can, so long as i do not damage property or injure parties;

i expressly RESERVE ALL RIGHTS WITHOUT PREJUDICE or RECOURSE HEREIN AND HEREAFTER. This AFFIDAVIT becomes constructive filing, administrative Notice and an evidentiary document submitted upon request or demand of a "Driver License", registration, or proof of insurance, and as part of the Official Record of ANY ensuing action. THIS AFFIDAVIT MUST be introduced as evidence in ANY said current or future action;

i: mark-jozef-edward: wuyts, am NOT a corporate 14th Amendment "person", "Operator", "Resident", "Trustee" or "Operator of a motor vehicle", as defined in both Bouvier's and Black's law dictionaries, as i am a NON-FICTITIOUS AND NON CORPORATE AND NON-RESIDENT flesh and blood man whom is NOT FOR HIRE; i do NOT utilize the public walkways, roadways, highways or "waterways" for commercial purposes EVER; i am an Article IV Section II State Citizen for the Belgium Republic; The corporate and/or administrative laws, codes and statutes also clearly define that a "driver license" is for "drivers" and "motor Vehicles" are involved in commerce only; i am not a driver or operator of a motor vehicle, unless by deception of those legal definitions; My PRIVATE and self-propelled "conveyance"/"automobile" is for "travel" between point A and point B, and is for non-commercial use, and for my enjoyment and convenience ONLY; Anyone in my automobile is a "Guest" and not a "passenger"; Therefor i declare my private automobile/conveyance/property is not a "motor vehicle", as clearly defined by legal dictionaries, corporate laws, codes, statutes, the corporate State of Belgium Department of Motor Vehicles, and adequately and clearly defined within United States Code (U.S.C.). These are YOUR definitions and corporate creations, not mine;

i declare my automobile with a "VIN" of WDB9066361P294848, with attached non-commercial common law plates (pictures attached as "exhibit A1" for your records) and my automobile with a "VIN" of WB10419A03ZK55590, with non-commercial common law plates (pictures attached as "exhibit A2" for your records) , also my trailer with VIN YC3EDUARD22000275 (pictures attached as "exhibit A3" for your records) as my private

property, household goods and personal conveyance. My Domicile/ Travel ID No. is _____ (pictures attached as "exhibit B" for your records), and is not a contractual document nor a document that grants jurisdiction in ANY circumstance.

Moving forward, i cannot in Good Faith apply for a STATE OF BELGIUM Driver License as i would be committing PERJURY. i would have to swear, under oath, that i am a "resident" (agent), "surety", "trustee" and/or "franchisee" of the corporate STATE OF BELGIUM when the established FACTS by AFFIDAVIT herein directly contradict that i am any of those legal definitions. i CAN NOT be any of those above definitions AND be a living flesh and blood man at the same time, although i can act as the "Authorized Agent" for the separate "person" the STATE OF BELGIUM created to have control over my body, assets and property, and to be a beneficiary of the UNITED STATES indebtedness. My current Driver License was obtained because i wasn't given full disclosure (fraud) and it may be kept as a form of identification, or in the event that i do ever choose to be for hire, but is NOT my consent to be subject to for-profit statutes, codes or regulations where there is no damaged property, losses or injured parties with a verified & bonded claim.

ANY action or unverified claim against me lacking articulable and reasonable suspicion that i committed a crime against an injured party, and/or is carried out without obtaining a warrant based on that same articulable and reasonable suspicion PRIOR to me being detained, violated, coerced or impeded is hereby and hereafter declared NULL and VOID ab initio. ANY act to deprive me of ANY of my constitutionally protected or self-evident rights or inalienable rights or unalienable rights or inherent rights or Common Law rights is an act of aggression, the deprivation of my rights, false imprisonment, a violation of their Oath of Office, and a felony in addition to being a federal crime pursuant to Title 18 U.S.C (criminal code), Title 28 U.S.C. (Civilcode), and/or, but not limited to Title 42 U.S.C. (civil rights). i reserve all remedies and recourses in such matters, including but not limited to, holding all parties PERSONALLY LIABLE for of deprivation of rights, extortion, coercion, kidnapping, false imprisonment, racketeering, conspiracy etc. pursuant to Title 42 U.S.C. Section 1983, 1985 & 1988 and the applicable Uniform Commercial Codes. Precedent for damages has been set at \$USD 1.8 million per day.

"public officials are not immune from suit when they transcend their lawful authority by invading Rights" _Alecio vs. Woodward, 406 F2d 137t_

This AFFIDAVIT also certifies that i have completed and passed all tests measuring my competency to safely travel or control my conveyances or private automobiles upon the public roadways, highways, and even land defined as "waterways" by any State (as well as passed all tests to drive or operate a motor vehicle in a commercial capacity in the future if i ever so choose to use the public roadways or highways in such capacity). i am NOT an administrative slave and as long as i continue to be a peaceful, careful and responsible man, i do NOT need anyone or anything's "Permission" to travel; or to exercise ANY of my rights; or be compelled to relinquish ANY of my rights or property under the threat of violence or coercion; or to register ANY of my private property or possessions, despite the phony colorable "laws" created by lobbyists and corporations in their own self-interest, and then prosecuted in fraudulent "colorable" courts that have self-proclaimed "authority" over the free and sovereign naturally born inhabitants or People for We the People, and whom also prosecute innocent and peaceful People and Citizens for for-profit victimless "crimes". i expressly do not consent to these obscene corporate bylaws,

nor do i waive ANY of my inalienable rights, unalienable rights, self-evident rights, inherent rights, Natural rights, Creator endowed rights, Constitutionally protected rights, Common law rights or any other rights not mentioned in this Affidavit, for any reason, EVER.

Please refer to the Laws, case law, codes and statutes below in support of my claim of rights in this Affidavit

All immunity of the United States, and all liability of States, instrumentalities of States, and State officials have been waived under commerce, according to the following US Codes:

Title 15 USC, Commerce, Sec. §1122, "Liability of States, instrumentalities of States, and State officials"

(a) Waiver of sovereign immunity by the United States. The United States, all agencies and instrumentalities thereof, and all individuals, firms, corporations, other persons acting for the United States and with the authorization and consent of the United States, shall not be immune from suit in Federal or State court by any person, including any governmental or nongovernmental entity, for any violation under this Act. (b) Waiver of sovereign immunity by States. Any State, instrumentality of a State or any officer or employee of a State or instrumentality of a State acting in his or her official capacity, shall not be immune, under the eleventh amendment of the Constitution of the United States or under any other doctrine of sovereign immunity, from suit in Federal court by any person, including any governmental or nongovernmental entity for any violation under this Act.

Title 42 USC, Sec. §12202, "State immunity"

A State shall not be immune under the eleventh amendment to the Constitution of the United States from an action in Federal or State court of competent jurisdiction for a violation of this chapter. In any action against a State for a violation of the requirements of this chapter, remedies (including remedies both at law and in equity) are available for such a violation to the same extent as such remedies are available for such a violation in an action against any public or private entity other than a State

Title 42 USC, Sec. §2000d-7, "Civil rights remedies equalization"

(a) General provision

(1) A State shall not be immune under the Eleventh Amendment of the Constitution of the United States from suit in Federal court for a violation of section 504 of the Rehabilitation Act of 1973 [29 U.S.C. 794], title IX of the Education Amendments of 1972 [20 U.S.C. 1681 et seq.], the Age Discrimination Act of 1975 [42 U.S.C. 6101 et seq.], title VI of the Civil Rights Act of 1964 [42 U.S.C. 2000d et seq.], or the provisions of any other Federal statute prohibiting discrimination by recipients of Federal financial assistance. (2) In a suit against a State for a violation of a statute referred to in paragraph (1), remedies (including remedies both at law and in equity) are available for such a violation to the same extent as such remedies are available for such a violation in the suit against any public or private entity other than a State.

00. The Administrative Procedure Act of 1946 gives immunity in Administrative Court to the Administrative Law Judge (ALJ) only when an action is brought by the people against a public,

agency or corporate official / department. Under Title 5 USC, Commerce, public offices or officials can be sanctioned.

Title 5, USC, Sec. §551:

(10) "sanction" includes the whole or a part of an agency—

(A) prohibition, requirement, limitation, or other condition affecting the freedom of a person;
(B) withholding of relief; (C) imposition of penalty or fine; (D) destruction, taking, seizure, or withholding of property; (E) assessment of damages, reimbursement, restitution, compensation, costs, charges, or fees; (F) requirement, revocation, or suspension of a license; or

(G) taking other compulsory or restrictive action;

1. Justice is required to be BLIND while holding a SET OF SCALES and a TWO-EDGED SWORD. This symbolizes true justice. **The Administrative Procedure Act of 1946 (60 stat 237)** would allow the sword to cut in either direction and give the judge immunity by holding his own court office accountable for honest service fraud, obstruction of justice, false statements, malicious prosecution and fraud placed upon the court. Any willful intent to uncover the EYES OF JUSTICE or TILT THE SCALES is a willful intent to deny Due Process, which violates **Title 18 USC §1346**, "Scheme or Artifice to Defraud," by perpetrating a scheme or artifice to deprive another of the intangible right of honest services. This is considered fraud and an overthrow of a constitutional form of government and the person depriving the honest service can be held accountable and face punishment under **Title 18 USC and Title 42 USC** and violates **Title 28 USC** judicial procedures.
2. Both **Title 18 USC**, Crime and Criminal Procedure, and **Title 42 USC**, Public Health and Welfare, allow the Petitioner to bring an action against the United States and/or the State agencies, departments, and employees for civil rights violations while dealing in commerce. Title 10 places all public officials under **this Title 10 section 333** while under a state of emergency. (Declared or undeclared War this falls under TWEA.)

CLARIFICATION OF LANGUAGE

The corporate STATE OF BELGIUM has failed to state the meaning or clarify the definition of words. The places before the Court legal definitions and terms, along with NOTICE OF FOREIGN STATE STATUS OF THE COURT. This court, pursuant to the **Federal Rules of Civil Procedure (FRCP) Rule 4(j)**, is, in fact and at law, a FOREIGN STATE as defined in **Title 28 USC §1602, et. seq.**, the **FOREIGN SOVEREIGN IMMUNITIES ACT of 1976, Pub. L. 94-583 (hereafter FSIA)**, and, therefore, lacks jurisdiction in the above captioned case. **The above-mentioned "real party in interest" (mark wuyts) hereby demands full disclosure of the true and limited jurisdiction of this court. Any such failure violates 18 USC §1001, §1505, and §2331.** This now violates the **PATRIOT ACT, Section 800, Domestic terrorism**, and the **USA FREEDOM ACT**.

3. There are three different and distinct forms of the "United States" as revealed by this caselaw:

“The high Court confirmed that the term “United States” can and does mean three completely different things, depending on the context.” *Hooven & Allison Co. vs. Evatt*, 324 U.S. 652 (1945) & *United States v. Cruikshank*, 92 U.S. 542 (1876) & *United States v. Bevens*, 16 U.S. 3 Wheat. 336 336 (1818).

The Court and its officers have failed to state which United States they represent, since they can represent only one, and it’s under Federal Debt Collection Procedure, as a corporation, the United States has no jurisdiction over the Petitioner. As an American national and as a belligerent claimant, Petitioner hereby asserts the right of immunity inherent in the 11th amendment: “*The judicial power shall not be construed to extend to any suit in law or equity, commenced or prosecuted against one of the United States by citizens of another state, or by citizens of any Foreign State.*” This court, by definition is a FOREIGN STATE, and is misusing the name of this Sovereign American by placing Petitioner’s name in all capital letters, as well as by using Petitioner’s last name to construe Petitioner erroneously, as a “person” which is a “term of art” meaning: *a creature of the law, an artificial being, and a CORPORATION or ens legis*:

“**Ens Legis. L. Lat.** A creature of the law; an artificial being, as contrasted with a natural person. Applied to corporations, considered as deriving their existence entirely from the law.” — Blacks Law Dictionary, 4th Edition, 1951.

4. All complaints and suits against such CORPORATION, or *ens legis*, fall under the aforementioned FSIA and service of process must therefore be made by the clerk of the court, under **Section 1608(a)(4) of Title 28 USC, 63 Stat. 111**, as amended (**22 U.S.C. 2658**) [**42 FR 6367, Feb. 2, 1977**, as amended at **63 FR 16687, Apr. 6, 1998**], to the Director of the Office of Special Consular Services in the Bureau of Consular Affairs, Department of State, in Washington, D.C., exclusively, pursuant to **22 CFR §93.1 and §93.2**. A copy of the FSIA must be filed with the complaint along with “a certified copy of the diplomatic note of transmittal,” and, “the certification shall state the date and place the documents were delivered.” The foregoing must be served upon the Chief Executive Officer and upon the Registered Agent of the designated CORPORATION or FOREIGN STATE.
5. MUNICIPAL, COUNTY, or STATE COURTS lack jurisdiction to hear any case since they fall under the definition of FOREIGN STATE, and under all related definitions below. Said jurisdiction lies with the “district court of the United States,” established by Congress in the states under **Article III of the Constitution**, which are “constitutional courts” and do not include the territorial courts created under **Article IV, Section 3, Clause 2**, which are “legislative” courts. *Hornbuckle v. Toombs*, 85 U.S. 648, 21 L.Ed. 966 (1873), (See **Title 28 USC, Rule 1101**), exclusively, under the FSIA Statutes pursuant to **28 USC §1330**.
6. It is an undisputed, conclusive presumption that the above-mentioned real party in interest is not a CORPORATION, and, further, is not registered with any Secretary of State as a CORPORATION. Pursuant to **Rule 12(b)(6)**, the Prosecuting Attorney [**PUT THE PROSECUTORS NAME HERE**] has failed to state a claim for which relief can be granted to the Petitioner. This is a FATAL DEFECT, and, therefore, the instant case and all related matters must be DISMISSED WITH PREJUDICE for lack of *in personam*, territorial, AND subject matter jurisdiction, as well as for improper Venue pursuant to **the 11th amendment** Foreign State Immunity.
7. Moreover, the process in the above-captioned case is not “regular on its face.”

TABLE OF DEFINITIONS

Regular on its Face -- "Process is said to be "regular on its face" when it proceeds from the court, officer, or body having authority of law to issue process of that nature, and which is legal in form, and contain nothing to notify, or fairly apprise anyone that it is issued without authority."

Foreign Court: The courts of a foreign state or nation. In the United States, this term is frequently applied to the courts of one of the States when their judgment or records are introduced in the courts of another. **Foreign jurisdiction:** Any jurisdiction foreign to that of the forum; e.g., a sister state or another country. Also, the exercise by a state or nation jurisdiction beyond its own territory. Long-arm service of process is a form of such foreign or extraterritorial jurisdiction

Foreign laws: The laws of a foreign country, or of a sister state. In conflicts of law, the legal principles of jurisprudence which are part of the law of a sister state or nation. Foreign laws are additions to our own laws, and in that respect are called "*jus receptum*."

Foreign corporation: A corporation doing business in one State though chartered or incorporated in another state is a foreign corporation as to the first state, and, as such, is required to consent to certain conditions and restrictions in order to do business in such first state. Under federal tax laws, a foreign corporation is one which is not organized under the law of one of the States or Territories of the United States. **I.R.C. § 7701 (a) (5).** Service of process on foreign corporation is governed by the **Fed. R. Civ. P. 4** See also Corporation.

Foreign service of process: Service of process for the acquisition of jurisdiction by a court in the United States upon a person in a foreign country is prescribed by **Fed R. Civ. P. 4 (i)** and **28 U.S.C.A. § 1608**. Service of process on foreign corporations is governed by **Fed. R. Civ. P.4(d) (3)**.

Foreign states: Nations which are outside the United States. Term may also refer to another state; i.e. a sister state.

Foreign immunity: With respect to jurisdictional immunity of foreign states, see **28 USC, Sec. §1602 et seq. Title 8 USC, Chapter 12, Subchapter I, Sec. §1101(14)** The term "foreign state" includes outlying possessions of a foreign state, but self-governing dominions or territories under mandate or trusteeship shall be regarded as separate foreign states.

Profiteering: Taking advantage of unusual or exceptional circumstance to make excessive profit; e.g. selling off scarce or essential goods at inflated price during time of emergency or war.

Person: In general usage, a human being (i.e. natural person) though by statute the term may include a firm, labor organizations, partnerships, associations, corporations, legal representative, trusts, trustees in bankruptcy, or receivers. **National Labor Relations Act, §2(1). Definition of the term "person" under Title 26, Subtitle F, Chapter 75, Subchapter D, Sec. Sec. §7343**

The term "person" as used in this chapter includes an officer or employee of a corporation, or a member or employee of a partnership, who as such officer, employee or member is under a duty

to perform the act in respect of which the violation occurs.

A **corporation** is a "person" within the meaning of equal protection and due process provisions of the United States Constitution.

Tertius interveniens: A third party intervening; a third party who comes between the parties to a suit; one who interpleads. Gilbert's Forum Romanum. 47.

Writ of error coram nobis A common-law writ, the purpose of which is to correct a judgment in the same court in which it was rendered, on the ground of error of fact, for which it was statutes provides no other remedy, which fact did not appear of record, or was unknown to the court when judgment was pronounced, and which, if known would have prevented the judgment, and which was unknown, and could of reasonable diligence in time to have been otherwise presented to the court, unless he was prevented from so presenting them by duress, fear, or other sufficient cause "A writ of error **coram nobis** is a common-law writ of ancient origin devised by the judiciary, which constitutes a remedy for setting aside a judgment which for a valid reason should never have been rendered." **24 C.J.S., Criminal Law. § 1610 (2004).** "The principal function of the **writ of error coram nobis** is to afford to the court in which an action was tried an opportunity to correct its own record with reference to a vital fact not known when the judgment was rendered, and which could not have been presented by a motion for a new trial, appeal or other existing statutory proceeding." Black's Law Dictionary., 3rd ed., p. 1861; 24 C.J.S., Criminal Law, § 1606 b., p. 145; *Ford v. Commonwealth*, 312 Ky. 718,229 S.W.2d 470. At common law in England, it issued from the Court of Kings Bench to a judgment of that court. Its principal aim is to afford the court in which an action was tried an opportunity to correct its own record with reference to a vital fact not known when the judgment was rendered. It is also said that at common law it lay to correct purely ministerial errors of the officers of the court. Furthermore, the above-mentioned "real party in interest" demands the strict adherence to **Article IV, section one of the Constitution** so that in all matters before this court, the Full Faith and Credit shall be given in each State to the public Acts, Records, and judicial Proceedings of every other State; and to **Article IV of the Articles of Confederation**, still in force pursuant to **Article VI of the National Constitution**, so that "Full faith and credit shall be given in each of these States to the records, acts, and judicial proceedings of the courts and magistrates of every other State," selective incorporation notwithstanding. The *lex domicilii* shall also depend upon the Natural Domicile of the above-mentioned "real party in interest." The *lex domicilii*, involves the "law of the domicile" in the Conflict of Laws. Conflict is the branch of public law regulating all lawsuits involving a "foreign" law element where a difference in result will occur depending on which laws are applied.

DECLARATION OF STATUS AND RIGHT OF AVOIDANCE

The above-mentioned "real party in interest" hereby declares the status of a "foreign state" as defined in **28 USC 1331(b)(1)**, as "a separate legal person, corporate or otherwise," (in the instant case, "otherwise"), **(b)(2)**, "an organ (a vital part) of a foreign state" and **(b)(3)**, "neither a citizen of a State of the United States as defined in **section 1332(c)**" (a corporation, an insurer, or the legal representative of a decedent, an infant or an incompetent), "nor created under the laws of any third country." Furthermore, the above-mentioned "real party in interest" is not an artificial, corporate "person" as defined and created by PUBLIC STATUTES, and is not

Mark Wright
22 Feb 2023

AFFIDAVIT: Right to Travel and Public Records Notice

a juristic person which may be "affected" by PUBLIC STATUTES; but, is invested with and bears the status, condition and character of "a sovereign without subjects." The above-mentioned "real party in interest" is always and at all times present in his "asylum home state" of DOMICILLE and inhabitation, which is "the common case of the place of birth, *domicilium originis*," also referred to as Natural Domicile, which is "the same as domicile of origin or domicile by birth," (See *Johnson v. Twenty-One Bales*, 13 Fed.Cas. 863; Black's Law Dictionary, 4th edition), which is the source and the seat of his [her] sovereignty and immunity.

Accordingly, the above-mentioned "real party in interest" exercises his Right of Avoidance and hereby rejects the offered commercial venture and declines to fuse with or to animate the above-mentioned Defendant in Error, or to stand as STRAWMAN [PERSON], which is defined in Barron's Law Dictionary, 4th edition, (1996), as "a term referred to in commercial and property contexts when a transfer is made to a third party, the strawman [person], simply for the purpose of retransferring to the transferor in order to accomplish some purpose not otherwise permitted," i.e., obtaining jurisdiction over the above-mentioned "real party in interest" or relying upon the rebuttable presumption that the above-mentioned "real party in interest" is a corporation. The definition also contains the admonition to "See dummy," which, at that entry is therein defined as "a strawman; a sham." The above-mentioned party is, NOT a strawman, NOT a sham, and is certainly NOT a dummy. This DECLARATION OF STATUS constitutes a conclusive presumption, of which the court is bound to take NOTICE, that the "real party in interest" is NOT a corporation; and, the administrative court can exercise no jurisdiction whatsoever over the "real party in interest" or in the above-captioned case, but is duty-bound according to the due process of the law, to which the above-mentioned "real party in interest" is a belligerent claimant, and by the Rule of Law to DISMISS [OR REVERSE] it.

TABLE OF AUTHORITIES – PERSON

"This word 'person' and its scope and bearing in the law, involving, as it does, legal fictions and also apparently natural beings, it is difficult to understand; but it is absolutely necessary to grasp, at whatever cost, a true and proper understanding to the word in all the phases of its proper use . . . A person is here not a physical or individual person, but the status or condition with which he is invested . . . not an individual or physical person, but the status, condition or character borne by physical persons . . . The law of persons is the law of status or condition." -- American Law and Procedure, Vol. 13, page 137, 1910.

The following case citation declares the undisputed distinction in fact and at law of the distinction between the term "persons," which is the plural form of the term "person," and the word "People" which is NOT the plural form of the term "person." The above-mentioned "real party in interest" is NOT a subordinate "person," "subject," or "agent," but is a "constituent," in whom sovereignty abides, a member of the "Posterity of We, the People," in whom sovereignty resides, and from whom the government has emanated: "The sovereignty of a state does not reside in the **persons** who fill the different departments of its government, but in the **People**, from whom the government emanated; and they may change it at their discretion. Sovereignty, then in this country, abides with the constituency, and not with the agent; and this remark is true, both in reference to the federal and state government." (Persons are not People).--*Spooner v. McConnell*, 22 F 939, 943: "Our government is founded upon compact. Sovereignty was, and is, in the people" --*Glass v. Sloop Betsey*, Supreme Court, 1794. "People of a state are entitled to all rights which formerly belong to the King, by his prerogative." --supreme Court, *Lansing v.*

Smith, 1829. "The United States, as a whole, emanates from the people ... The people, in their capacity as sovereigns, made and adopted the Constitution ..." --Supreme Court, 4 Wheat 402. "The governments are but trustees acting under derived authority and have no power to delegate what is not delegated to them. But the people, as the original fountain might take away what they have delegated and entrust to whom they please The sovereignty in every state resides in the people of the state and they may alter and change their form of government at their own pleasure." --*Luther v. Borden*, 48 US 1, 12 LEd 581. "While sovereign powers are delegated to ... the government, sovereignty itself remains with the people" --*Yick Wo v. Hopkins*, 118 U.S. 356, page 370. "There is no such thing as a power of inherent sovereignty in the government of the United States. In this country sovereignty resides in the people, and Congress can exercise no power which they have not, by their Constitution entrusted to it: All else is withheld." -- *Julliard v. Greenman*, 110 U.S. 421. "In common usage, the term 'person' does not include the sovereign, and statutes employing the word are ordinarily construed to exclude it." -- *Wilson v. Omaha Indian Tribe* 442 US 653, 667 (1979). "Since in common usage the term 'person' does not include the sovereign, statutes employing that term are ordinarily construed to exclude it." --

U.S. v. Cooper, 312 US 600,604, 61 SCt 742 (1941). "In common usage, the term 'person' does not include the sovereign and statutes employing it will ordinarily not be construed to do so." -- *U.S. v. "Since in common usage, the term 'person' does not include the sovereign, statutes employing the phrase are ordinarily construed to exclude it." -- *US v. Fox* 94 US 315. "In common usage the word 'person' does not include the sovereign, and statutes employing the word are generally construed to exclude the sovereign." -- *U.S. v. General Motors Corporation*, D.C. Ill, 2 F.R.D. 528, 530: The following two case citations declare the undisputed doctrine, in fact and at law, that the word (term of art) "person" is a "general word," and that the "people," of whom the above-mentioned "real party in interest" is one, "are NOT bound by general words in statutes." Therefore, statutes do not apply to, operate upon or affect the above-mentioned "real party in interest:" "**The word 'person' in legal terminology is perceived as a general word** which normally includes in its scope a variety of entities other than human beings., --*Church of Scientology v. US Department of Justice* 612 F2d 417, 425 (1979).

"The people, or sovereign are not bound by general words in statutes, restrictive of prerogative right, title or interest, unless expressly named. Acts of limitation do not bind the King or the people. The people have been ceded all the rights of the King, the former sovereign.....It is a maxim of the common law, that when an act is made for the common good and to prevent injury, the King shall be bound, though not named, but when a statute is general and prerogative right would be divested or taken from the King (or the People) he shall not be bound." -- *The People v. Herkimer*, 4 Cowen (NY) 345, 348 (1825): "In the United States, sovereignty resides in people." --*Perry v. U.S.* (294 US 330). TABLE OF AUTHORITIES – LACK OF JUDICIAL IMMUNITY

Thus, neither Judges nor Government attorneys are above the law. See *United States v. Isaacs*, 493 F. 2d 1124, 1143 (7th Cir. 1974). In our judicial system, few more serious threats to individual liberty can be imagined than a corrupt judge or judges acting in collusion outside of

their judicial authority with the Executive Branch to deprive a citizen of his rights. In *The Case of the Marshalsea*, 77 Eng. Rep. 1027 (K.B. 1613), Sir Edward Coke found that Article 39 of the Magna Carta restricted the power of judges to act outside of their jurisdiction such proceedings would be void, and actionable.

When a Court has (a) jurisdiction of the cause, and proceeds *inverso ordine* or erroneously, there the party who sues, or the officer or minister of the Court who executes the precept or process of the Court, no action lies against them. But (b) when the Court has not jurisdiction of the cause, there the whole proceeding is before a person who is not a judge, and actions will lie against them without any regard of the precept or process . . . Id. 77 Eng. Rep. at 1038-41. A majority of states including Virginia (see, **Va. Code §8.01-195.3(3)**), followed the English rule to find that a judge had no immunity from suit for acts outside of his judicial capacity or jurisdiction. Robert Craig Waters, 'Liability of Judicial Officers under Section 1983' 79 Yale L. J. (December 1969), pp. 326-27 and 29-30).

Also as early as 1806, in the United States there were recognized restrictions on the power of judges, as well as the placing of liability on judges for acts outside of their jurisdiction. In *Wise v. Withers*, 7 U.S. (3 Cranch) 331 (1806), the Supreme Court confirmed the right to sue a judge for exercising authority beyond the jurisdiction authorized by statute.

In *Stump v. Sparkman*, **435 U.S. 349 at 360 (1978)**, the Supreme Court confirmed that a judge would be immune from suit only if he did not act outside of his judicial capacity and/or was not performing any act expressly prohibited by statute. See Block, *Stump v. Sparkman* and the History of Judicial Immunity, 4980 Duke L.J. 879 (1980). The Circuit Court overturned this case and the judge was liable.

Judicial immunity may only extend to all judicial acts within the court's jurisdiction and judicial capacity, but it does not extend to either criminal acts, or acts outside of official capacity or in the 'clear absence of all jurisdiction.' see *Stump v. Sparkman* 435 U.S. 349 (1978). "When a judge knows that he lacks jurisdiction, or acts in the face of clearly valid Constitutional provisions or valid statutes expressly depriving him of jurisdiction or judicial capacity, judicial immunity is lost." --*Rankin v. Howard* 633 F.2d 844 (1980), *Den Zeller v. Rankin*, 101 S.Ct. 2020 (1981).

As stated by the United States Supreme Court in *Piper v. Pearson*, 2 Gray 120, cited in *Bradley v. Fisher*, 13 Wall. 335, 20 L.Ed. 646 (1872), 'where there is no jurisdiction, there can be no discretion, for discretion is incident to jurisdiction.' The constitutional requirement of due process of the law is indispensable: "No person shall be held to answer for a capital, or other wiseinfamous crime, unless on a presentment or indictment of a Grand Jury, except in cases arising in the land or naval forces, or in the Militia, when in actual service in time of War or public danger; nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, **nor be deprived of life, liberty or property, without due process of law**; nor shall private property be taken for public use without just compensation." Article V, National Constitution. "A judgment can be void . . . where the court acts in a manner contrary to due process." --Am Jur 2d, §29 Void Judgments, p. 404. "Where a court failed to observe safeguards, it amounts to denial of due process of law, court is deprived of juris." --*Merritt v. Hunter*, C.A. Kansas 170 F2d739. "Moreover, all proceedings founded on the void judgment are themselves regarded as

Also see **22 USC § 611 - FOREIGN RELATIONS AND INTERCOURSE**; and, **22 USC § 612**, Registration statement, concerning the absolute requirement of registration with the Attorney General as a “foreign principal,” due to the undisputed status of the court and its alleged officers and employees as **FOREIGN AGENTS**, described *supra*. Regarding: **Notice & Praecipe, elector the status change**
Cancellation of Voter Registration
Registered Mail Account

To Whom It May Concern,

i, :mark-jozef-edward:wuyts: do hereby make this declaration of my "Elector" Status as one of "we the people" a state national as defined in title 8 s 1101 (a) (21), (23), as one who elects their representatives.

You will please take notice that i recently discovered that there are certain political liabilities attached to the voter registration of a US Citizen which, had they been fully disclosed to me at the time i was induced into Consent Contract, would have dissuaded me from doing so. For that reason and on that basis, i am hereby repudiating the said contract and hereby rescinding my signature from and declare void any and all forms, cards and instruments which may evidence the said mistake.

You will also forthwith please remove my fiction dba name MARK JOZEF EDWARD WUYTS (minor account) from the voter rolls from the STATE OF BELGIUM and any political sub-division thereof as well as notify any and all interested parties of this Elector status change. My individual sovereign Consent is withdrawn and reserved until further notice.

Acknowledgement of the compliance of this change is required and much appreciated. In the event that you are unable or unwilling to comply with this instruction then you agree by your acquiescence and shall serve as the judgement. i shall alternatively require of you evidence of your Article VI Oath of Fidelity as well as the policy number, name and address of the underwriter of your Bond or your risk management agent.

i hereby declare my elector status as one of we the people who founded government, not as a US Citizen or citizen (voter) created by the 14th Amendment of the Constitution, by government.

Please acknowledge my choice of "electoral status".

Respectfully,

mark-jozef-edward:wuyts

Declaration of Revocation of Election

This document exercises the option provided by the US Congress which provides American Nationals [defined as Nonresident Alien Individuals in Title 26 Statutes and Regulations] to terminate the unintended 'voluntary election' per 26 USC § 6013 (g) (4) (A)

The Legal/Lawful Basis for Revocation of Election

It should be noted that from the beginning ___mark-jozef-edward: wuyts___ has been denominated a founding child by the Registrar of the State of West-Vlaanderen, Belgium resulting in the erroneous deposit or mis-delivery of my lawful genetic parent's private property - "product" - to the care of the Church or administration by the State;

Presently, i: ___mark-jozef-edward: wuyts___, the full age of majority with absolute dominion over said product physically possess certificate(s) of 'Birth' for ___WUYTS MARK JOZEF EDWARD___ (memorial) and 'Live Birth' for ___mark-jozef-edward: wuyts, beneficiary___ and stand ready for a final account settlement for i am the one and only true living owner/heir to all such property;

Any unauthorized reference to ___mark jozef edward wuyts___ is also a reference to any derivative or appurtenant product constituting unlawful copyright infringement or criminal trespass by implication. Finally, all annexed records or writings within this declaration clearly evidence my lawful ground(s) and status regarding this particular matter;

Relevant United States Supreme Court Decisions

Regarding territorial jurisdiction of the United States, the U.S. Supreme Court stipulated in *Foley Brothers, Inc. v. Filardo*, 336 U.S. 281 (1949) that:

" The canon of construction which teaches that legislation of Congress, unless a contrary intent appears, is meant to apply only within the territorial jurisdiction of the United States is a valid approach whereby unexpressed congressional intent may be ascertained. It is based on the assumption that Congress is primarily concerned with domestic conditions."

In effect, this decision states (according to West Law) the following in summary:

"It is a well-established principle of law that all federal regulations [and statutes] apply only within the territorial jurisdiction of the United States [the District of Columbia] unless a contrary intent appears [required implementing regulations are published in the Federal Register]."

Consequently, all the IRC of Title 26 (both statutes and codes/implementing regulations) are applicable only within the territorial and legislative jurisdiction of the District of Columbia per the U.S. Supreme Court;

Thus, the legislative intent of the 16th Amendment is for the IRC to apply only to the geographical and legislative jurisdiction for those who are the proper federal 'Taxpayers' as expressed in the IRC at 26 USC § 7701 (a)(14);

And how are Statutory 'Taxpayers' defined? It means " any person subject to any internal revenue tax." The statutory term 'person' as defined at 26 USC § 7701 (a)(1) refers only to statutory legal fictions created by and under the dominion and subject to the US Congress, i.e. the National Government.

Furthermore, the American People are acting under God's sovereign authority. As such the United States Supreme Court has declared in Yick Wo v. Hopkins, 118 U.S. 356 (1886) that:

"Sovereignty itself is, of course, not subject to the law for it is the author and source of the law."

Furthermore, the United States Supreme Court in United States v. Cooper Corporation, 312 U.S. 600 (1941) stated:

"Since in common usage, the term person does not include the sovereign, statutes not employing the phrase are ordinarily construed to exclude it."

Clearly, the statutory definition of 'person' is found in 26 USC § 7701(a)(1). This is referred to in the statutory definition of Taxpayer at 26 USC § 7701(a)(14). Note that this does not reflect or include any reference to American Nationals;

It is the American Nationals that are recognized as being Sovereigns [through God's Sovereign Authority] by birth in one of the 50 states of the Union or from having one's parents born there;

Issues Relevant to the Internal Revenue Service

It is clearly seen that the Internal Revenue Service has created in Title 26 of the United States Code [USC] a statutory legal option for those who are Nonresident Alien Individuals to Terminate with discretion any voluntary Federal Income Tax Election established by 26 USC § 6013 (g) [Election to treat nonresident alien individual as resident of the United States].

22 Feb 2023

mark -
22 Feb 2023

Once a statutory 'election' was initially established, those Nonresident Alien Individuals who make that 'election' under 26 USC § 6013 (g) or (h) immediately became a federal statutory 'Taxpayer'. Former nontaxable income is then deemed taxable like that of a U.S. Resident Alien. Such 'election' consequently is then applicable for all subsequent years pursuant to 26 USC §6013 (g) (3) Duration of Election.

It is by this process that the Nonresident Alien Individual becomes 'voluntarily' liable via this 'election' for a tax never levied upon him. This results in the electors entire private sector employer paid wages or earnings being taxed under Chapter 24 of the Internal Revenue Code for all taxable years following the initial 'election' as part of the Duration of Election section at 26 USC § 6013 (g) (3).

26 USC § 7701 (b)(1)(B) defines the statutory term 'Nonresident Alien Individual' as:

" An Individual is a Nonresident Alien if such individual is neither a [statutory] citizen of the United States [District of Columbia per 26 USC §7408(d)] nor a resident [Alien or foreigner from another nation] of the United States [District of Columbia per 26 USC §7408(d)]."

Notice that in order to confer intentional confusion on the reader; it defines what a Non-resident Alien Individual is rather than what it is not.

So by careful reading one can determine the true meaning of the statutory term 'Nonresident Alien Individual'. It is none other than American State Nationals who are born in the Constitutional Republic consisting of one of the 50 states of the Union.

For further confirmation of this, see 26 CFR 1.871 1 (b) (4) Expatriation to avoid tax which reads as follows:

" For special rules applicable in determining the tax of a nonresident alien individual who has lost U.S. citizenship with a principal purpose of avoiding certain taxes, see section 877."

In regard to Expatriation, American State Nationals are the only ones who can give up their Constitutional U.S. citizenship status and rejoin as a former member of the Constitutional Republic [those born in one of the 50 states of the Union]. It is clear the terms 'Nonresident Alien Individual' and 'American State National' mean the same.

The former President of the U.S., William Taft, clarified that the Legislative intent of the 16th Amendment was that Congress could only levy the Federal Income Tax on members of the National government.

So only if an American State National chooses to be an employee of the National Government could one acquire the status of 'Taxpayer'.

Monty

22 Feb 2023

NOTE: It should be carefully noticed that the terms 'American State National' and 'U.S. Citizen' are distinctly different in their meaning.

President Taft further clarified the Legislative Intent by stating:

" The decision of the Supreme Court [Pollock v Farmer's Loan & Trust Company, 157 U.S. 429, 1895] in the income tax case deprived the National Government of a power which, by reason of previous decisions of the court, it was generally supposed that government had. I therefore recommend to the Congress that both Houses, by a two-thirds vote, shall propose an amendment to the Constitution conferring the power to levy an income tax upon the National Government without apportionment among the States in proportion to population."

The Constitution was not violated by the 16th Amendment (Rule of Apportionment) because it was dealing only with the jurisdiction of the 10 mile square 'District of Columbia', the National Government, a jurisdiction in which the Constitution does not apply.

So it is totally clear that American State Nationals were never liable to the Federal Income Tax Laws unless they made a 'statutory election' pursuant to 26 CFR 1.871 1(a) Classification of Aliens 'election' by unknowingly being tricked into filing a Form 1040 US Individual Income Tax Return.

Let it be known that per Clark v. United States, 95 U.S. 539, a statutory 'election' cannot constitute a valid contract.

So it is by deceitful trickery, obfuscation, and intentionally misrepresentative legalese that liability to the Income Tax is acquired via 26 USC §6013(g) by the American National. The American National is then fraudulently - but legally - treated as a U.S. Resident Alien, a legal Taxpayer.

When an American State National chooses to be employed by the National Government, his performance in any public office falls under the definition of a 'Trade or Business' per 26 USC §7701 (a) (26).

The fact of this deceit is carefully kept from the American people to enable the continuing wholesale theft, rape, and plunder through taxation of the American people. The American people have not the slightest hint that the Income Tax liability is being imposed upon them by such an unconscionable

deception. The means of removing this unintended 'election of liability' has been kept a closely guarded secret.

26 CFR 1.871-1 Classification and manner of taxing alien individuals is the regulation in particular that demonstrates the voluntary nature for American Nationals to exercise the choice to make an 'election' to have their income taxed or treated like that of a Resident Alien.

26 CFR 1.871-1 (a) Classes of aliens, states:

" For purposes of the income tax, alien individuals are divided generally into two classes, namely, resident aliens and nonresident aliens. Resident alien individuals are, in general, taxable the same as [statutory] citizens [legal fictions] of the United States; that is, a resident alien is taxable on income derived from all sources, including sources without the United States." See § 1.1-1 (b).

Nonresident alien individuals are taxable only on certain income from sources within the United States and on the income described in section 864(c)(4) from sources without the United States which is effectively connected for the taxable year with the conduct of a trade or business in the United States [meaning only the District of Columbia per 26 USC §7408(d)].

However, nonresident alien individuals [American State Nationals] may elect, under section 6013 (g) or (h), to be treated as U.S. residents for purposes of determining their income tax liability under Chapters 1, 5, and 24 [wage withholding] of the code."

In particular, the last paragraph clearly shows that election to being liable for the Income Tax is purely voluntary as the phrase "may elect" is used. This thus proves that the first filing of the 1040 Tax form is not mandatory in any sense, and thus the paying of such tax is purely voluntary unless the American State National has been hoodwinked into filing that first 1040 Tax form. This then causes the triggering of the election to become a so-called Taxpayer.

This is further shown to be so from certain U.S. Treasury admissions to be so noted below.

Determinations of the United States Department of the Treasury

We see that the US Department of the Treasury states the American State National (Non-Resident Alien) who pays the Income Tax is in reality 'gifting' such funds to the Government, as a freely given donation.

The U.S. Treasury clearly states the exact same position as follows:

31 USC §321 (d)(1) & (d)(2):

man
5
22 Feb 2023

(1) The Secretary of the Treasury may accept, hold, administer, and use gifts and bequests of property, **both** real [substance (mother/land)] and personal [Title, (father/form)], for the purpose of aiding or facilitating the work of the Department of the Treasury. Gifts and bequests of money and the proceeds from sales of other received as gifts or bequests shall be deposited in the Treasury in a separate fund and shall be disbursed on order of the Secretary of the Treasury. Property accepted under this paragraph, and the proceeds thereof, shall be used as nearly as possible in accordance with the terms of the gift or bequest.

(2) For purposes of the Federal income, estate, and gift taxes, property accepted under paragraph (1) shall be considered as a gift or bequest to or for the use of the United States.

When the U.S. Department of the Treasury makes references to the statutory term "United States" in 31 USC §321 (d)(2) it means and references only the National Government in the District of Columbia. It is not referring to the 50 states of the Union per 26 USC §7408(d) which it would have to specifically specify to be the case.

26 USC §7408 (d) Citizens and residents outside the United States... If any citizen or resident of the United States does not reside in, and does not have his principal place of business in any United States judicial district, such citizen or resident shall be treated for purposes of this section as residing in the District of Columbia.

From the above, we see again the admission that the federal income tax applies only to the District of Columbia and other US Territories and possessions of the National Government, not the 50 states of the Union.

Stipulation of Facts for mark jozef edward wuyts established by the National Government for an American State National

REVOCATION OF ELECTION

[A] All federal income taxation statutes and regulations are applicable only within the territorial jurisdiction of the District of Columbia, unless directly stated otherwise.

[B] Title 26 statutes and regulations do not apply to American Nationals.

mark
22 Feb 2023

[C] The term 'person as used in the Internal Revenue Code makes no reference to American Nationals.

(1) Person - defined at 26 USC § 7701 (a) (1) referencing statutory legal fictions only.

(2) U.S. person - defined at 26 USC § 7701 (a) (30) referencing statutory legal fictions only. (3)

Taxpayer - defined at 26 USC § 7701 (a) (14) references any 'person' 'subject to'.

(4) U.S. Citizen - defined at 8 USC § 1401 (a) (1) referencing a statutory legal fiction only born in D.C. and property of the National Government.

[D] In the case of *United States v. Cooper Corporation*, 312 U.S. 600 (1941), it states that, "the term 'person' does not include the sovereign and that statutes not employing the phrase are ordinarily construed to exclude it [the sovereign]."

In order to obscure the definition of 'Nonresident Alien Individual' as defined at 26 USC § 7701 (b) (1) (B), it makes vague reference to the term 'sovereign American Nationals' as the target of that definition without specific reference to the term 'sovereign'.

[E] Within the Implementing Regulation 26 CFR § 1.871-1(a), it clarifies that the Nonresident Alien Individuals must be employed by the National Government (a statutory 'trade or business' within the District of Columbia) in order to become liable for the Income Tax.

[F] In order to avoid violating the Thirteenth Amendment to the United States Constitution outlawing involuntary servitude in the Constitutional Republic, the National Government presumes that the American Nationals ignorance regarding their inadvertent/unaware election to become liable to the tax, is interpreted to mean such election was voluntary, an ethical abomination and crime against humanity if there ever was one.

(1) 26 CFR § 1.871-1 (a) clearly admits to this 'election' deception to create fraudulent liability upon the American State National that in fact did not exist as shown in U.S. Supreme Court in *Pollock v. Farmer's Loan & Trust Company*, 157 U.S. 429 (1895).

(2) Again, it is clearly admitted that the legislative Intent of the Sixteenth Amendment was limited jurisdiction for the National Government (D.C.) to levy the federal income tax only upon itself, not the jurisdiction of the current 50 states of the Union.

[G] In order to provide the required remedy for the American National to escape perpetual entrapment of the election liability swindle so cleverly devised by the government tricksters, a relatively simple but well-hidden procedure was made available to enable Nonresident Alien Individuals a means to terminate

forever the presumed liability to the federal income tax scheme by use of 26 USC § 6013 (g) (4) (A)
Termination of Election by Taxpayer.

Mark Jozef Edward Wuyts

22 Feb 2013

[H] Proof of the complicity of the United States Department of the Treasury in this election scheme for establishing liability of the American National stipulated at 31 USC § 321 (d) (1) and (d) (2) is demonstrated by their admission the federal income tax is nothing more than a "gift or bequest".

By making this statement, the potential legal complicity/liability in promulgating this swindle is supposedly limited or eliminated.

[I] By using the ruse of using legalese definitions for terms that have quite different common usage definitions, the National Government has been quite successful in continuing this swindle of the American people for many decades.

This presumption of using obscure definitions in the statutes has proven to be a successful ruse by those in government who are willing to entrap their fellow man through this clearly amoral abomination.

[J] The escape for the American State Nationals from being 'Taxpayers' of the federal income tax is found at 26 USC § 6013 (4) (A).

This Revocation of Election is hereby invoked and expressed by mark for mark jozef edward wuyts in order to immediately extricate forever his private literary property and all-odium and that of his legitimate father and mother from any 1040 tax obligation.

[K] The fact that there exists a lawful Non-Taxpayer is described in two specific federal documents.

(1) The Congressional Record of the United States Senate on pages 3344-3345 describes the promulgated Legislative Intent of the Sixteenth Amendment written by President William H. Taft on June 16, 1909. This document leaves no doubt as to the non-tax liability of the American National.

(2) The existence of the lawful Non-Taxpayer is very clearly spelled out in Economy Plumbing & Heating v. U.S., 470 F2d. (1972). It spells out definitely that there exist two groups, taxpayers and lawful non-taxpayers (American Nationals). It can't get any clearer than this that the category of lawful non-taxpayers does in fact exist.

So be it declared here and now via this written Testimony that ___mark___ for ___mark jozef edward wuyts___ clearly expresses his true desire to fully terminate any prior statutory Election:

REVOCATION OF ELECTION

Having been changed, framed, or presumed to be a Resident Alien 'Taxpayer' without being aware that i: a man; mark; for ___mark jozef edward wuyts___, had unintentionally and without full disclosure elected to be treated as such, i now, stand in the bright light of Truth and state my sincere desire to revoke and lawfully terminate forever any prior election via the statutory process of Revocation of Election and choose to be known as an American National **with the lawful** status of a non-Taxpayer.

This revocation of election shall become effective immediately as specified in 26 USC §6013(g)(4) which addresses Termination of Election with a pertinent section at 26 USC §6013(g)(4)(A) Revocation by taxpayer. Said statutory section stipulates that, "An election under this subsection shall terminate at the earliest of the IRS receipt of this Affidavit.

i, ___mark___, as true sole heir and absolute owner of said private property, does hereby demand to Terminate the Election for ___mark jozef edward wuyts___ made unknowingly and unintentionally many years ago without full disclosure per the congressionally created statute(s) in 26 USC § 6013 (g). The Election shall terminate immediately as clearly stated to those men and women acting as appropriate or official IRS operational personnel, IRS management, IRS Chief Legal Counsel, and the IRS Commissioner.

Pursuant to 26 USC § 6013 (g) (4) (A), i, ___MARK___, hereby declare forevermore that i exercise the option to Terminate the Election for ___Mark Jozef Edward Wuyts___ . Immediately upon receipt of this affidavit, ___Mark Jozef Edward Wuyts___ is no longer to be identified or viewed as a taxable Resident Alien 'taxpayer'.

According to the Internal Revenue Code of 1954 statutes promulgated at 26 USC § 6013 (g) (6), it states:

Only one election, one finds expressed in this particular statute that if any election under this subsection is terminated under paragraph (4) Termination of Election (A) Revocation by taxpayers, that such individual(s) shall be ineligible to make an election under this subsection for any subsequent taxable year.

Thus, once a Termination of Election occurs, which is the purpose of this recorded Testimony properly submitted to the IRS Commissioner, et al; ___mark___ for ___Mark Jozef Edward___ can never again be presumed to be, viewed to be, or changed via 'election' into a Resident Alien 'Taxpayer'.

Decisions of the Federal Appeals Court 2nd Circuit

In Economy Plumbing & Heating v. U.S., 470 F2d. (1972) it was clearly stated the existence of both Lawful Taxpayers and Lawful Non Taxpayers.

"Revenue Laws relate to taxpayers and not to non-taxpayers. The latter are without their scope. No procedures are prescribed for non-taxpayers and no attempt is made to annul any of their Rights or Remedies in due course of law. With them [Non- taxpayers] Congress does not assume to deal and they are neither of the subject nor of the object of federal revenue laws." [Emphasis & Clarification added]

So let it be duly noted here and now with total clarity, that i, ___mark___, now reaffirm my true desire and fully expressed intent to return ___mark-jozef -edward: wuyts___ to 'his' rightful status as an American National, being "neither of the subject nor of the object of federal revenue laws."

By this Testimony for the express purpose of REVOCATION OF ELECTION

[1] ___mark-jozef-edward: wuyts___ is an American State National and American Nationals become so by;

- (i) The founding child being born in one of the 50 states of the Union;
- (ii) Birth to one or both parents who were born in one of the 50 states of the Union, or (iii) Naturalization

[2] ___mark-jozef-edward: wuyts___, as a result of being 'born' upon one of the 50 states of the Union [the Constitutional Republic], is NOT subject to the territorial jurisdiction of the statutory United States [the District of Columbia].

(i) ___mark-jozef-edward: wuyts___ is an American State National and nonresident to the District of Columbia. An American National is also alien to the legislative jurisdiction of the US Congress. The Supreme Court declared: " all federal statutes and regulations apply only within the territorial jurisdiction of the United States [the District of Columbia] unless a contrary intent appears."

[3] ___mark-jozef-edward: wuyts___, as an American State National, is not subject to the limited jurisdiction of the District of Columbia. The American State National is not referenced or included in any statutory laws related to the federal income tax created by the U.S. Congress.

[4] ___mark-jozef-edward: wuyts___, as an American State National, cannot be changed, framed, compelled, tricked, or presumed to associate with the National Government in direct violation of the Foreign Sovereign Immunities Act and the 13th Amendment (Involuntary Servitude).

(i) The Legislative Intent of the 16th Amendment can be located in the Congressional Record of the United States Senate on pages 3344-3345.

[6] ___mark-jozef-edward: wuyts___ derives no income from any source that is "effectively connected with the conduct of a statutory 'Trade or Business' within the District of Columbia" as that term is defined.

___mark-jozef-edward: wuyts___ has no physical, statutory, or federal domicile 'within' the District of Columbia.

[7] The Internal Revenue Service lacks any and all jurisdiction to apply the federal income tax upon ___mark-jozef-edward: wuyts___.

[8] ___mark___ for ___mark-jozef-edward: wuyts___, having only recently discovered the statutory option at 26 USC §6013(g) and its subsections does now and from the beginning Revoke the Election that has resulted in the outright theft and unconscionable swindle against his private literary property and allodium throughout his life by such criminals who created this massive deception and crime against humanity.

(ii) Consequently, the men and women within the offices of the Internal Revenue Service have been effectively NOTICED of the REVOCATION OF ELECTION.

Let it now be acknowledged that per 26 USC §6013(g)(6) the REVOCATION OF ELECTION is now permanent within our living memory.

(1) Let it be known that ___mark-jozef-edward: wuyts___ can never be framed, coerced, tricked, or changed back into the status of Taxpayer. The Internal Revenue Service shall acknowledge ___mark-jozef-edward: wuyts___ as a Lawful Non Taxpayer from the beginning.

[9] Public notification by ___mark___ for ___mark-jozef-edward: wuyts___ of the REVOCATION OF ELECTION to the men and women acting as the Internal Revenue Service is now complete through this recorded writing. There can be no further discussion as to ___mark-jozef-edward: wuyts___ ever being liable for

APPENDIX – A

(attached instruction)

The Lien Claimant does NOT rely on Title 15 as a basis for the "commercial Lien." ALL Commercial processes, by using or relying on notes or paper in Commerce (e.g. Federal Reserve Notes), must bear some sort of Federal tracking code, a County Recorder's number or a serial number, which process be accessible for inspection at the nearest relevant County Recorder's Office or be widely advertised; When a Lien matures in three (3) months, ninety (90) days, by default of the Lien Debtor through the Lien Debtors failure to rebut the AFFIDAVIT OF OBLIGATION point-for-point categorically, it becomes an accounts receivable in the ordinary sense of a collectable debt upon which assignments, collateralization, and other commercial transactions can be based, hence becomes a Security subject to observation, tracking, and regulation by the United States Securities and Exchange Commission (hereinafter U.S. S.E.C.);

The notation "A Security -: 15 USC" is a flag in Commerce telling the U.S. S.E.C. that a speculation account is being established to enforce a lien. The U.S. S.E.C. can then monitor the process. As long as the process is truthful, open, and above-board (Full disclosure). the U.S. S.E.C. has no jurisdiction over it, for even the U.S. S.E.C. has no jurisdiction over the truth of testimony, depositions, affidavits, and affidavits of obligation (Commercial Liens), and an un rebutted affidavit stands as the truth in Commerce. Legal authority: Universal moral/existential truths/principles, expressed in Judaic (Mosaic) Orthodox Hebrew/Jewish Commercial Code, corollary to Exodus (chiefly Exodus 20:15, 16), This is the best known Commercial process in America;

When an Affidavit is so flagged in Commerce, it becomes a Federal Document because it could become translated into a Security (for example by being attached in support of a Commercial Lien), and not accepting and/or filing a Commercial Affidavit becomes a Federal offense.

**APPENDIX - A
(attached instruction)**

The Lien Claimant does NOT rely on Title 15 as a basis for the "Commercial Lien"; ALL Commercial processes, by using or relying on notes or paper in Commerce (e.g. Federal Reserve Notes), must bear some sort of Federal tracking code, a County Recorder's number or a serial number, which process must be accessible for inspection at the nearest relevant County Recorder's Office or be widely advertised; When a Lien matures in three (3) months, ninety (90) days, by default of the Lien-Debtor through the Lien-Debtors failure to rebut the AFFIDAVIT OF OBLIGATION point-for-point categorically, it becomes an accounts receivable in the ordinary sense of a collectable debt upon which assignments, collateralization, and other commercial transactions can be based, hence becomes a Security subject to observation, tracking, and regulation by the United States Securities and Exchange Commission (hereinafter U.S. S.E.C.);

The notation "A Security — 15 USC" is a flag in Commerce telling the U.S. S.E.C. that a speculation account is being established to enforce a lien; The U.S. S.E.C. can then monitor the process; As long as the process is truthful, open, and above-board (Full disclosure), the U.S. S.E.C. has no jurisdiction over it, for even the U.S. S.E.C. has no jurisdiction over the truth of testimony, depositions, affidavits, and affidavits of obligation (Commercial Liens), and an un rebutted affidavit stands as the truth in Commerce;

Legal Authority: Universal moral/existential truths/principles, expressed in Judaic (Mosaic) Orthodox Hebrew/Jewish Commercial Code, corollary to Exodus (chiefly Exodus 20:15, 16). This is the best known Commercial process in America When an Affidavit is so flagged in Commerce, it becomes a Federal Document because it could become translated into a Security (for example by being attached in support of a Commercial Lien), and for accepting and/or filing a Commercial Affidavit becomes a Federal offense.

A Living Testimony in form of an Affidavit.

to read this thoroughly, completely and with comprehension,
this document is of a very serious nature and is not frivolous;**

**There will be no presumptions or assumptions,
no Tacit agreements, no waiver of rights, no hearsay,
no lawyering or attornment from the bench;
i am asking only for Truth, Facts, Honor and Fair Justice;**

i, mark-jozef-edward: wuyts, a living soul, Sui Juris, Jus Soli, being of age, and of sound mind and competent nature, do hereby produce this affidavit of truth under the penalty of perjury and reserve the right to amend and be notified if any line item is proven at error without recourse and without prejudice;

Rights, Status, Standing, Jurisdiction

Above all else, i: mark-jozef-edward: wuyts, in and from the beginning, invoke my right of **self determination** which is considered to be the foundational stone of all human rights. i hereby invoke my right of **redress of grievances**;

i, hereby stand as a belligerent claimant upon these rights and others as required;

The Supreme Court said that the "rights of life and personal liberty are the natural rights of man; To secure these rights ... governments are instituted among men" U.S. v. Cruikshank, 92 U.S. 542, 2 Otto 542, 23 L. Ed. 588

The individual Rights guaranteed by our Constitution and treaties cannot be compromised or ignored by our government or by **its courts**;

For example, in United States v. Johnson, 76 F. Supp. 538, 539 (D. Pa. 1947), Federal District Court Judge James Alger Fee ruled that:

..."The privilege against self-incrimination is neither accorded to the passive resistant, nor to the person who is ignorant of his rights, nor to one indifferent thereto; It is a FIGHTING clause; It's benefits can be retained only by sustained COMBAT; It cannot be claimed by attorney or solicitor; It is valid only when insisted upon by a BELLIGERENT claimant in person."

Notice the verdict's confrontational language in these Cases:

"fighting", "combat", and most surprising, "belligerent". Did you ever expect to ever read a Federal Court condemning people for being "passive" or "ignorant"? Did you ever expect to see a verdict that encouraged people to be "belligerent" in COURT...?

Better go back and re-read that extraordinary verdict. And commit it to memory, for it succinctly describes the essence of the American legal system.

Clearly, we must do SOMETHING, for as Sir Edmund Burke said,
"The only thing necessary for evil to triumph is for good men to do nothing."

"The presumption of Liberty, rights we retain for ourselves. Freedom lies in everyone's heart, but it must do more than just lie there." Judge Napolitano

Constitutions and treaties are the supreme law, Statutes are Corporate bylaws.

"Whereas it is essential, if man is not to be compelled to have recourse, as a last resort, to rebellion against tyranny and oppression, that human rights should be protected by the rule of law,"
(Excerpt of Preamble of - Universal Declaration of Human Rights)

"The States Parties to the present Covenant, Considering that, in accordance with the principles proclaimed in the Charter of the United Nations, **recognition of the inherent dignity and of the equal and inalienable rights of all members of the human family is the foundation of freedom, justice and peace in the world,** Recognizing that these rights derive from the inherent dignity of the men/women, Recognizing that, in accordance with the Universal Declaration of Human Rights, the ideal of living sentient beings enjoying civil and political freedom and freedom from fear and want can only be achieved if conditions are created whereby everyone may enjoy

his civil and political rights, as well as his economic, social and cultural rights, Considering the obligation of States under the Charter of the United Nations to promote universal respect for, and observance of, human rights and freedoms, Realizing that the individual, having duties to other individuals and to the community to which he belongs, is under a responsibility to strive for the promotion and observance of the rights recognized in the present Covenant."

(Preamble - International Covenant on Civil and Political Rights)

By the grace of God almighty, and through the supremacy clause of the Constitution and treaties of supreme law, it is i alone, who shall determine my status, standing, honor and jurisdiction.

No person shall be deprived of the right to prosecute or defend his own cause in any of the Courts of this State, as a human, in person-am, by attorney, or either.

In Genesis 1:26-2:25 God gave Mankind dominion over the Land, Air, Water, the three jurisdictions, the making of LAW. (Paraphrased)

In Genesis 2:7 And I, God, created man from the dust of the earth, and breathed into his nostrils the breathe of life, and man became a living soul. 1611 KJV

A court has no jurisdiction to determine its own jurisdiction, for a basic issue in any case before a tribunal is its power to act, and a court must have the authority to decide that question the first instance." CONTRACTS

American Jurisprudence 2nd 1964 vol. 16 § 373 Rights of Contract

Liberty of contract involves, as one of its essential attributes, the right to terminate contracts, Valid contracts are property and as such are protected from being taken without just compensation. The United States Supreme Court has stated that freedom to contract is the essence of freedom from undue restraint on the right to contract. Other courts have stated that the liberty to make contracts includes the corresponding right to refuse to accept a contract or to assume such liability as may be proposed. The right of liberty of contract is inherent and inalienable. It belongs to everyone by the law of the land; every man has the right freely to deal, or to refuse to deal, with his fellow men. Pg. 706 – 707

American Jurisprudence 2nd 1964 vol. 16 § 362 Nature of Right guaranteed

The right of property is a fundamental, natural, inherent, and inalienable right... In fact, it does not owe its origin to the constitutions which protect it, for it existed before them. It is sometimes characterized judicially as a sacred right, the protection of which is one of the most important objects of government. Pg. 691

Elements of a True Contract

1. Parties competent to contract

The parties to a contract should be competent, being of the age of consent, of sound mind, not disqualified from contracting by any law to which she is subject. A flaw in capacity may be due to minority, lunacy, idiocy, under influence, drunkenness, or dissimilarity of kind. The parties should be of the same kind, being either legal fiction actors, or natural living men/women, allowing more than two parties, but never a mixture of these kinds and their respective jurisdictions.

2. Free and genuine consent

The consent of the parties to the agreement must be free and genuine. The consent of the parties should not be obtained by misrepresentation, fraud, undue influence, coercion or mistake. If the consent is obtained by any of these means, then the contract is not valid or legally/lawfully enforceable.

3. Full and honest disclosure

When negotiating a contract, full disclosure is the step of providing all material information, or telling the "whole truth", about any matter which may influence the decision-making of the other party or parties before they decide to enter into a contract. If either party fails to make full disclosure, the contract is null and void.

4. Valuable consideration

The consideration is something of value possessed by the parties that is brought to the contract table. This something of value is bargained for and given in

Mark-J

contained within a contract, or buy or sell a contract, without the express permission of the original parties.

Title 28 USC 3002 Section 15A states United States is a Federal Corporation and not a government, including the Judicial Procedural Section.

In numerous cases, SCOTUS has said in summary:

- 1) that since governments chose to incorporate themselves, they must abide by the same rules as any other corporations.
- 2) that governments are now de facto, as corporations; and that they pass no laws, but only corporate bylaws called rules, codes, statutes, executive orders, ordinances and policies.
- 3) that all rules, codes, statutes, executive orders, ordinances and policies, are "colored/colorable" and governed only by the consent of the governed and through the fraudulent creation and unlawful conversion of man-kind into a legal Person, Citizen, Resident. Obtained through TACIT Agreement and not honorable contract.

CLAIM of CONSTRUCTIVE FRAUD

The thing about fraud is this: At some point in time, it must be first recognized, it must be learned, and then it must be vitiated.

Only then is justice obtained. Only then is Liberty achieved.

Please let me explain the "Claim of Constructive Fraud" above so you may rule any and all contracts pertaining to this matter and to this living soul and my minor children. Void Ab Initio. Thereby void of PARENS PATRIAE.

The Living story of the Fraud

Mark

exchange for a promise or a performance. The parties must each receive a benefit and each suffer a detriment. To be enforceable, a contract must have valuable consideration. A contract is unenforceable if it has insufficient or unequal consideration without agreement.

5. Certainty of terms

The Terms and Conditions of the contract must be fully disclosed and agreed upon, and must be certain and fixed. Any subsequent variation of terms must be agreed.

6. Meeting of the minds

A meeting of the minds "consensus ad idem", occurs between the parties when they recognize each other, understand their mutual obligations, and agree. A meeting of the minds occurs between men/women in lawful matters (Common Law jurisdiction), and between legal fiction actors in legal matters (Admiralty Maritime jurisdiction). A contract must be either Lawful or Legal. If one party to a contract makes a "signature" as an "accommodation party" to a legal fiction person, while the other party makes an "autograph" for a living man or woman, the parties are of unequal kinds, and the contract is null & void.

7. Autographs or Signatures

Lawful written contracts between living men/women must carry the wet ink autographs of the parties, comprising living identification such as a thumbprint, but more often living standing is recognized by an unambiguous declaration with the handwritten wet ink autograph, including the prefix "By:", and/or the words "All Rights Reserved," and "Without Prejudice," written below. Legal written contracts between legal fiction actors must carry the wet ink signatures of the parties, as an accommodation party from a man/woman.

8. Privity of contract

A contract exists only between the parties. No third-party can obtain rights

I, a Mother, a woman, a living soul, created by God, of flesh and blood, very much alive; went into the unknown "foundling" (a safe place to abandon a child) hospital believing she would get care but instead was falsely declared indigent, and a pauper.

Then... Having recently undergone the extreme duress of a major medical trauma commonly known as childbirth, and probably under the influence of painkillers, being anxious to go home to my comfortable bed, in order to pursue a happy life with my beautiful, newly born and living baby.

I, unknowingly filled out some dubious and unexplained forms put before me.

Then...Through the Constructive fraud of government I was coerced by the foundling hospital into signing these documents as an "informant", (one who gives someone up to another), and by presumptive Tacit agreement was unknowingly misdescribed and unlawfully converted from a child of god, a living soul, a state national, a inhabitant on the land, into a citizen, a person, a resident which by historical definitions of a "city employee", a "dead legal entity or vessel or office of person", and "as someone there temporarily to do business", thereby changing my child's status, standing, and jurisdiction.

The state acting under false and fraudulent doctrines of Parens Patriae, and In Loco Parentis. Claiming the State is the Parent is an Odious presumption and arrogantly false and as far as I am concerned an act of "war crimes and capital felony treason" and I'm hereby putting you on Notice.

And... As an innocent mother thus failing to recognize the lifelong consequences of my actions as there was no "Full and Honest Disclosure" nor any "Meeting of the Minds" which surely Vitiates any contract.

I was lied to, and told "it's just to give your baby a name and to get registered".

Mom's - J

Then through this fraud tried to make the woman, the living soul, converted to a signatory officer (into a "PERSON" or Vessel) a fraudulently created dead dog Latin entity, an unknowing party to the Bankrupt Corporation the UNITED STATES, the USA INC. and STATE of _____ subsidiary, all just more constructive fraud.

As mentioned above, at some point in time one recognizes the fraud as the woman, the living soul, this child of god, has done and has awoke to the fact that it is his/her blood, sweat, and the tears and pains of his labor, the woman's, that has been fraudulently held as the surety and the debtor when she is truly the holder in due course and the actual creditor...

I also hereby rescind the marriage contract with the State, as again through constructive fraud I the woman became "enjoinder property" without my knowledge or permission or full and honest disclosure of the Patent with USPTO. I am no ones Property!

I ask you this; Is the man and Living soul, who is very much alive, an Executor to, a Beneficiary of, or in any other way, is he one who enjoys any financial benefit to this Cestui Que Vie Trust estate?

Or, does one have to call in a federal bankruptcy/probate judge to dissolve the Cestui Que Vie Trust and settle/probate and claim the estate / the minor account?
